

OncoCyte Announces Pricing of Public Offering of Common Stock

February 8, 2019

ALAMEDA, Calif., Feb. 08, 2019 (GLOBE NEWSWIRE) -- OncoCyte Corporation (NYSE American: OCX) ("OncoCyte"), a developer of novel, non-invasive liquid biopsy tests for the early detection of cancer, today announced the pricing of an underwritten public offering of 9,333,334 shares of its common stock at a public offering price of \$3.75 per share, for aggregate gross proceeds of approximately \$35 million. OncoCyte has granted the underwriters a 30-day option to purchase up to an additional 1,400,000 shares of common stock at the public offering price to cover over-allotments, if any.

OncoCyte intends to use the net proceeds of the public offering to support its DetermaVu™ commercialization efforts and additional clinical studies to support reimbursement and adoption, to initiate future product development, and for general corporate and working capital purposes. The offering is expected to close on or about February 12, 2019, subject to the satisfaction of customary closing conditions.

Piper Jaffray is acting as the sole book-running manager and Janney Montgomery Scott is acting as the co-manager for the offering.

The shares are being offered by OncoCyte pursuant to a shelf registration statement on Form S-3 that was filed with the Securities and Exchange Commission ("SEC") on October 2, 2017 and declared effective by the SEC on October 16, 2017. The offering is being made only by means of a written prospectus and prospectus supplement. A preliminary prospectus supplement (and accompanying base prospectus) relating to the offering has been filed with the SEC, and a final prospectus supplement (and accompanying base prospectus) relating to the offering will be filed with the SEC. These documents are or will be available on the SEC's web site at www.sec.gov. Alternatively, copies of the final prospectus supplement (and accompanying base prospectus) relating to the offering, when available, may be obtained from Piper Jaffray & Co., Attention: Prospectus Department, 800 Nicollet Mall, J12S03, Minneapolis, MN 55402, or by email at prospectus@pjc.com, or by phone at (800) 747-3924.

This press release does not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

About OncoCyte Corporation

OncoCyte is focused on the development and commercialization of novel, non-invasive blood ("liquid biopsy") diagnostic tests for the detection of cancer. Our diagnostic tests have the potential to improve health outcomes, reduce the cost of care, and improve patients' quality of life. Liquid biopsy diagnostic tests like those OncoCyte is developing may reduce the need for costlier and riskier diagnostic procedures such as invasive biopsy procedures. OncoCyte is focusing its efforts on developing DetermaVu™ as a non-invasive confirmatory diagnostic test for lung cancer.

Forward Looking Statements

Any statements in this press release that are not historical fact (including, but not limited to statements that contain words such as "will," "believes," "plans," "anticipates," "expects," "estimates" and similar expressions) are forward-looking statements. These statements include those pertaining to risks related to market conditions and the satisfaction of customary closing conditions related to the proposed offering, the intended use of the net proceeds from the offering, and other statements about the future expectations, beliefs, goals, plans, or prospects expressed by management. These statements involve inherent risks and uncertainties, including those relating to the development and/or commercialization of potential diagnostic tests or products, the results of clinical trials or regulatory approvals, the capacity of third-party supplied blood sample analytic systems to provide consistent and precise analytic results on a commercial scale, the need and ability to obtain future capital, maintenance of intellectual property rights, the need to obtain third party reimbursement for patients' use of any diagnostic tests commercialized, and the application of the proceeds from the potential offering to which this press release relates. Actual results may differ materially from the results anticipated in any forward-looking statements. Please see the "Risk Factors" and other cautionary statements in the registration statement and other documents OncoCyte has filed with the SEC. OncoCyte disclaims any intent or obligation to update these forward-looking statements, except as required by law.
