Section 5 – Corporate Governance and Management

Item 5.07 - Submission of Matters to a Vote of Security Holders.

Our 2018 annual meeting of shareholders was held on May 1, 2018. At the annual meeting, our shareholders elected nine directors to serve until the next annual meeting and until their successors are duly elected and qualified. Our shareholders also (a) ratified the Board of Directors’ selection of OUM & Co. LLP as our independent registered public accountants to audit our financial statements for the current fiscal year, (b) approved an amendment of our Articles of Incorporation increasing the number of authorized common shares that we may issue from 150,000,000 shares to 250,000,000 shares, and (c) approved, on an advisory basis, the compensation of our named executive officers as presented in our proxy statement.

There were 123,453,045 BioTime common shares outstanding and eligible to vote at the annual meeting as of March 9, 2018, the record date for determining shareholders entitled to vote at the meeting, and 99,444,164 shares, or 80.6% of the voting power, represented at the meeting, either in person or by proxy. The following tables show the votes cast by our shareholders and any abstentions with respect to the matters presented to shareholders for a vote at the meeting. Information is also provided where required as to broker non-votes. A “broker non-vote” occurs when a shareholder whose shares are held in “street name” in a brokerage account or similar account does not instruct the shareholder’s broker or other nominee in whose name the shares are registered how to vote on a matter as to which brokers and nominees are not permitted to vote without instructions from their client. Brokers were not permitted under applicable rules of the NYSE American to vote in the election of directors and the advisory vote on executive compensation, but were permitted to vote for approval of the appointment of our independent registered public accountants and the amendment of our Articles of Incorporation.
