Section 1 - Registrant’s Business and Operations

Item 1.01 Entry into a Material Definitive Agreement

On September 14, 2015, we entered into Stock Purchase Agreements (the “Purchase Agreements”) with selected investors, including a major shareholder, Broadwood Partners, L.P. (“Broadwood”), for a registered direct offering of 2,607,401 of our common shares, no par value, at an offering price of \$3.29 per share, for an aggregate purchase price of \$8,578,349. The price per share was the closing price of our common shares on the NYSE MKT on September 11, 2015, the last trading day before we and the investors entered into the Purchase Agreements. We will pay no fees or commissions to broker-dealers or any finder’s fees, nor will we issue any stock purchase warrants, in connection with the offer and sale of the shares.

We intend to invest most of the proceeds from the offering in our subsidiary OncoCyte Corporation to provide capital for OncoCyte to use to finance clinical trials of its diagnostic tests it is developing, to finance additional research and development, to prepare for the commercialization of its first diagnostic tests, and for general working capital corporate purposes.

The Purchase Agreements all contain the same terms and conditions, including customary representations, warranties and agreements by us, customary conditions to closing, other obligations of the parties and termination provisions. The representations, warranties and covenants contained in the Purchase Agreements were made only for purposes of those agreements and as of specific dates, were solely for the benefit of the parties to the Purchase Agreements, and may be subject to limitations agreed upon by the contracting parties. The foregoing description of the material terms of the Purchase Agreements is qualified in its entirety by reference to the full text of the form of Purchase Agreement, which has been filed as an exhibit to this Current Report on Form 8-K and is incorporated herein by reference.

Neal Bradsher, one of our directors, is the President of the investment manager of Broadwood, which is our largest shareholder and beneficially owns more than 5% of the outstanding BioTime common shares.

The common shares are being offered and sold pursuant to a prospectus supplement dated as of September 14, 2015, which has been filed with the Securities and Exchange Commission in connection with a takedown from our shelf registration statement on Form S-3 (File No. 333-201824), which became effective on February 12, 2015, and the base prospectus dated February 12, 2015. The sale of the common shares is expected to close on September 17, 2015, subject to the satisfaction of customary closing conditions.
